Fisher Container Holdings, LLC Adds Industry Veteran, Dan Donofrio, to Management Team

Buffalo Grove, IL, February 5, 2018 – Fisher Container, a leading provider of custom flexible packaging for food and healthcare packaging, today announced the addition of Dan Donofrio to its executive team as Chief Operations Officer.

Mr. Donofrio brings over 25 years of operations leadership experience in a variety of packaging related businesses including Solo Cup Company, Pregis and most recently as Vice President of Operations at Havi Global Services. Throughout his career he has driven value in operations, engineering, quality assurance and graphic services roles, in both domestic and international markets. Dan has excelled in delivering operational excellence and continuous improvement at each of his assignments. Mr. Donofrio graduated from Illinois State University with a BS in plastics technology and holds an MBA from Lake Forest Graduate School of Management.

“We’re excited to have Dan join our team at Fisher Container,” said Kevin Keneally, President and CEO. “As we execute our strategic plan of organic and acquisition growth, Dan will bring unique skill in driving operational excellence and providing our customers state of the art packaging products with exceptional quality and service.”

Mr. Donofrio will work from the company’s headquarters in Buffalo Grove, Illinois.
